

CAPELLA
BAR & CIGAR LOUNGE

Preface

It is...

It is this smile,
When the first sip slowly unlocks the senses.
It is the twinkle in the eyes,
When the colours in the glass turn into lightning flashes
It is the tingle in the tummy
When the moment is perfect.

It is the tradition of our bar culture:
It has grown from the heart and is
Characterised by passion and skill.

Passion which is reflected in our own multiple award-
winning creations,
Attentive to details with your wellbeing at heart.

Skills that guide you competently through the
comprehensive list of spirits, help you choose your cigar
from the walk-in humidor,
Based on your individual taste.

Two components which have one thing in common:
They know no boundaries in creating your Capella
Experience.

Because our bar culture does not end in the glass.
It grows with you,
Glowing in the delicate nuances of taste,
Sparked off by lively conversations
Burning with a steady flame in the unique atmosphere of
the Capella bar.

These are your hours.
We make them unforgettable.
